Celebrating 20 Years Delivering Exceptional Results for Our Clients

A Message from Scott Murray & Jason Guari

Two decades ago, we made a decision that would define our careers: leave a nationally recognized law firm to establish a boutique practice focused on personal service and exceptional legal representation. Today, as we celebrate Murray Guari Trial Attorneys' 20th anniversary, we are proud that this vision has helped recover over \$200 million for our clients while we have built lasting relationships throughout our community.

South Florida has changed dramatically over these twenty years, but our commitment to personal service and professional excellence remains unwavering. We've intentionally chosen to grow thoughtfully, maintaining the personalized attention of a boutique firm while delivering the sophisticated representation of a larger practice. No flashy billboards or expensive TV ads—just dedicated advocacy and meaningful results for our clients when they need it most.

Our success stems from the trust placed in us by our community members, fellow attorneys, and voluminous past clients who continue to recommend our services. It is also a testament to our talented team, including several members who have been with us since day one. Their dedication and expertise have been instrumental in achieving the best possible results for our clients and their families.

As an AV-rated firm by Martindale-Hubbell, we are honored to be recognized for maintaining the highest levels of skill and

integrity. This commitment to excellence is reflected in our newly remodeled office space, expanded team, and continued focus on providing direct access to our attorneys—including their cell phone numbers—ensuring clients receive the attention they deserve.

Looking ahead, we remain dedicated to our founding principle: building personal relationships while fighting tirelessly for our clients' rights. Thank you for being part of our journey these past 20 years.

With sincere gratitude,

Scott & Jason

Meet the Team Behind the Justice

Spotlight on Partner Scott Perry

Scott B. Perry, a Partner at Murray Guari Trial Attorneys, embodies dedication and excellence in personal injury and wrongful death litigation. A South Florida native, Scott began his journey with our firm as a law clerk in 2010 while attending the University of Miami School of Law, where he graduated *Magna Cum Laude*. His early contributions paved the way for his rise to Partner in 2018.

Scott has followed in our firm's footsteps of leadership and service, serving as President of the Young Lawyers' Section of the Palm Beach County Bar Association (2019-2020) and currently as a Director on the Board of Directors. His commitment to professionalism and community involvement reflects the core values of our firm. ■

Spotlight on Associate Keith Hedrick

Keith R. Hedrick has been fighting for the rights of injured clients at Murray Guari Trial Attorneys since joining the firm in June of 2017. With a strong background in personal injury and wrongful death cases-ranging from car accidents to premises liability, he brings a unique edge to his practice, having previously worked on the other side, defending claims for insurance companies.

Keith earned his law degree from the University of Miami School of Law and graduated *Magna Cum Laude* from Concordia University in Montreal, Canada. But his passion extends beyond the courtroom - he's deeply involved in the South Florida community, serving on the Board of Directors for Genesis Assistance Dogs and Access the Sea. Growing Strong:

Our Remodeled Space Reflects Our Commitment to Excellence

As we celebrate our 20th anniversary and over \$200 million recovered for our clients, Murray Guari Trial Attorneys has undertaken significant office remodeling to enhance both client service and team collaboration.

Our newly enhanced space features modernized client areas, including an updated reception area and two state-of-the-art conference rooms equipped with the latest technology to allow for in-person, Zoom, if needed, and hybrid conferences. These improvements reflect our commitment to providing clients with a professional and comfortable environment during their in-person or virtual visits.

Behind the scenes, we've optimized our workspace to support our growing practice. The renovation includes expanded areas for our intake and pre-litigation teams, a dedicated war room for trial preparation, and enhanced support spaces with stand-up desks. These improvements enable our team to work more efficiently, comfortably, and collaboratively while seeking to maintain the exceptional service our clients expect.

Our investment in our workspace demonstrates our continued dedication to both our clients and our team as we look forward to serving our community throughout the State of Florida for decades to come. ■
